

In order to be a true Minecraft Pro
You must be brave where ever you go!

Steve will be with you as you start the task

To follow each clue and do all that we ask.

If you are ready to search for the treasure within
Get your sword and pick axe, and let us begin.

Find Clue #1 in amongst some rocks,
But you might instead call them -- LEGO blocks!

Congrats you survived the first step in this quest,
Keep going and remember to always do your best.

Be careful of Creepers and Zombies too,
They might be following you, whatever you do!

Watch your back and search for Clue 2,
It is waiting for you inside of your SHOE!

You are too smart to fool my friend,
Are you ready to finally reach the end?

Too bad so sad – this isn't the end of your hunt!
I hate to say it, but I must be so blunt.

There is more searching and hunting ahead,
Quick! Grab your pick axe and look under the BED!

I give up! You and Steve are too smart for me.
So I must say you have finally achieved victory.

The treasure you want can be found very soon.
Go see if you can find it near a SPOON!

Well done my friends – enjoy your treat!
I'm going back home to hang my head in defeat!
